THE COURT & THE GOAL

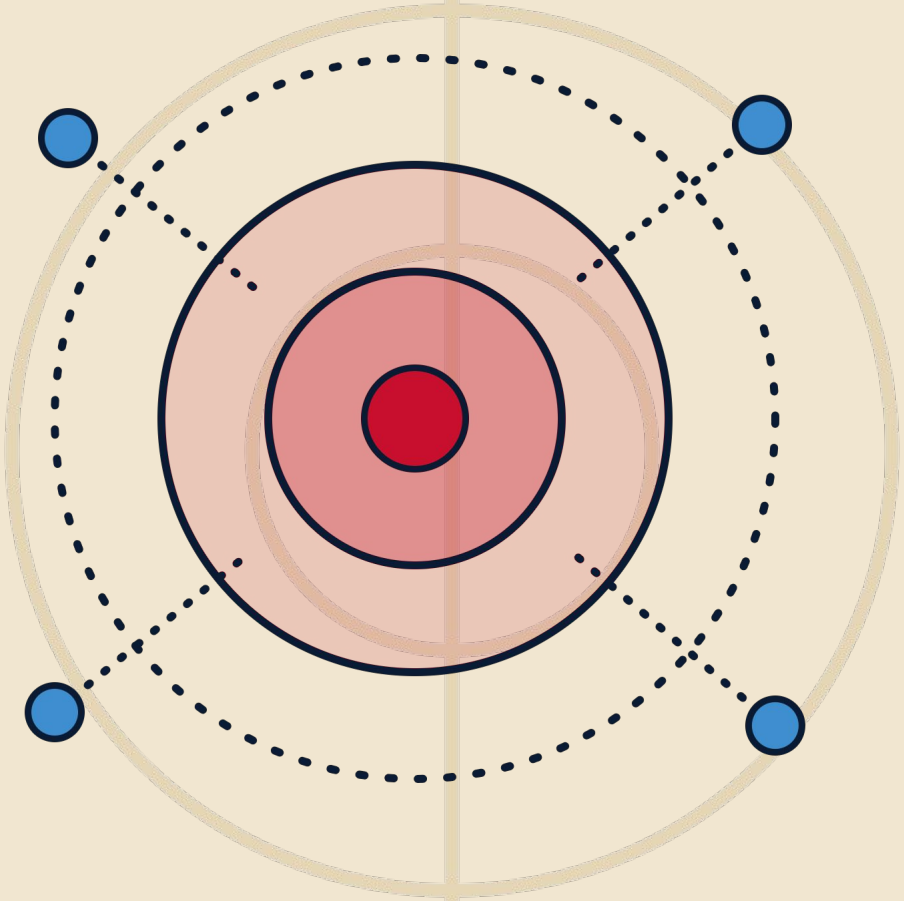

Basketball is a game of space. Five players on offense, five on defense, and every defender is deciding who to watch.

WHAT IS GRAVITY?

Some players pull the defense toward them, even more than you would expect. We call that pull Gravity.

Attention, not points.

ON-BALL GRAVITY

When a player has the ball, the defense collapses on her. This is the part you can see on TV.

FEVER VS. LYNX · AUG 2 · 2ND QTR 3:07

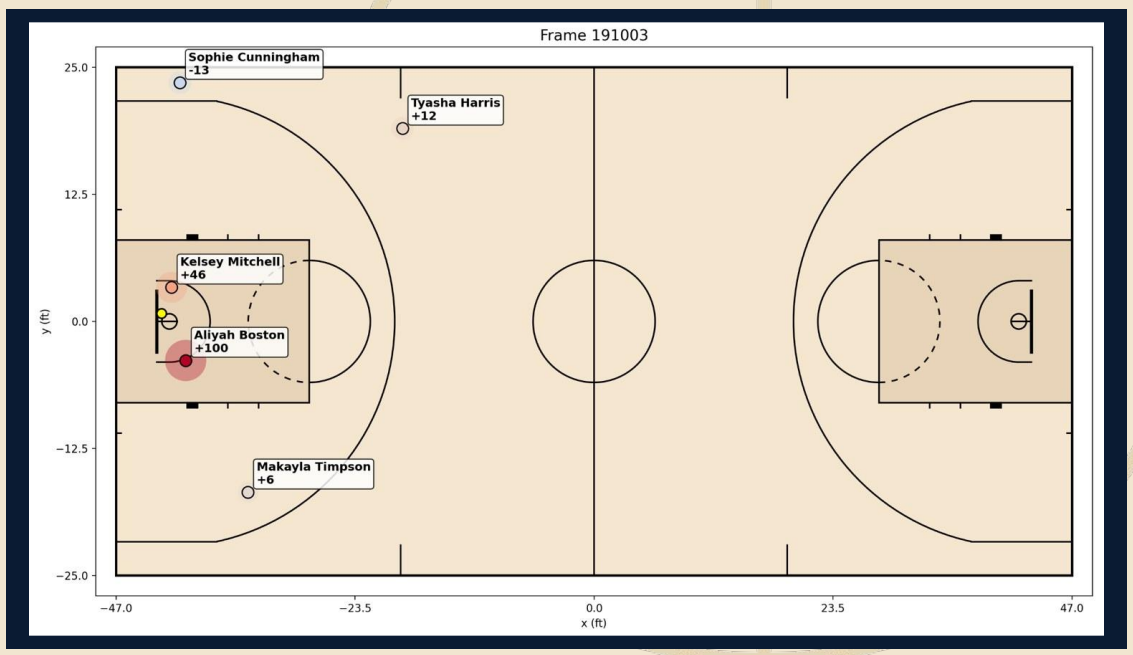

WHAT THE DATA SEES

+100

Tracking data, frame 191003: Aliyah Boston has the highest pull in the frame, +100. A bigger, redder circle means more pull.

TRACKING DATA · FRAME 191003

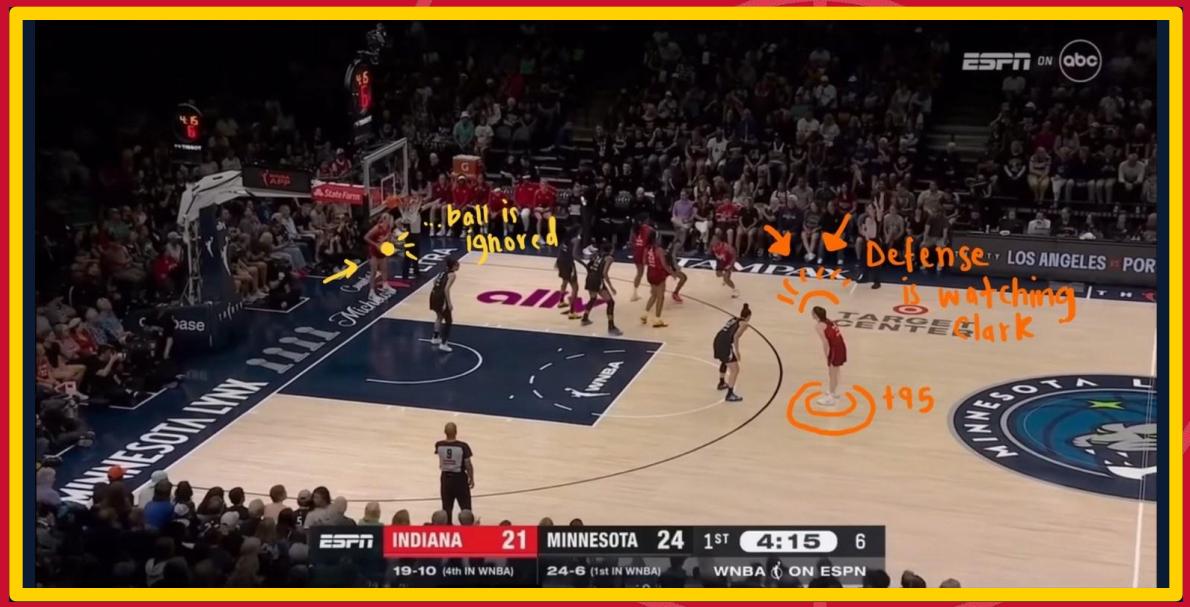

OFF-BALL GRAVITY

Lexie Hull has the ball at the baseline, but the defense is not paying attention to her.

HULL · HAS THE BALL · -100

-100

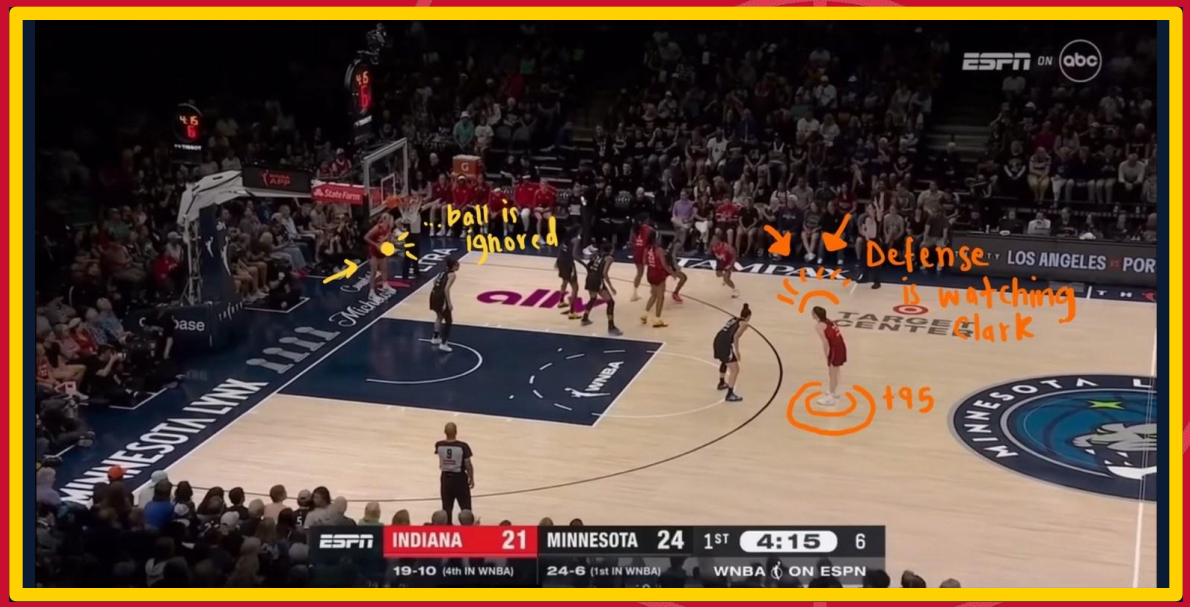

OFF-BALL GRAVITY

+95

Caitlin Clark does not have the ball, but the defense is watching her. The box score cannot show this.

CLARK · NO BALL · +95

THE GRAVITY SCALE
